

Privacy

Deakin University respects the privacy of users of its website and software applications and complies with the Privacy and Data Protection Act 2014 (Vic). This Privacy Policy describes the information collected by Deakin University (“we,” “us” or “our”) through our mobile applications and website and how we use that information.

1. In regards to the collecting of information about users in our mobile application A to Z Safari

We do not collect information such as your name, address, phone number or email address without your consent. We only have access to/collect personal information that you voluntarily give us via email or other direct contact from you. We will not sell, rent, or otherwise share this information with anyone. We do not knowingly collect personal information from children under the age of 13. Nor do we provide mechanisms that would allow any user to make such information public. We will use your information to respond to you regarding the reason you contacted us, e.g. to process an order. Specifically;

- we do not have advertising in any of our mobile products.
- we may have parent/guardian/teacher-directed contents such as parent/guardian/teacher information, in-app-purchase, social media integration, and external links. All such contents are protected by parent gates to ensure only parent/guardian/teacher have access to these contents.

Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.

The app does facilitate the entering and storing of user entered data, such as name, age, and progression statistics, however this information is voluntarily entered by, and is entered at the complete discretion and responsibility of, the teacher/parent/guardian of the child/children who will be using the app, or of the owner of the device/app. Information that is entered is stored locally on the device only, and is not automatically shared to us, nor any other parties. Information stored locally on the device can be shared to others via emailing of the data (an administrative password is required), however the responsible handling and sharing of this information is of the sole responsibility and accountability of the teacher/parent/guardian of the user/users of the app, or of the owner of the device/app.

2. Links to external websites

As a convenience to users of the website some links to external websites are provided on Deakin web pages. If a link to an external website is pursued, its privacy statement or other relevant information provided on that site should be consulted as the University is not responsible for the collection and handling of your personal information on external websites.

3. Your Access to and Control Over Information held by the University

Access to and correction of personal information held by the University is managed in accordance with the Freedom of Information Act 1982 (Vic). Further information about freedom of information requests is available online.

You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address given on our website:

- See what data we have about you, if any.
- Change/correct any data we have about you.
- Have us delete any data we have about you.
- Express any concern you have about our use of your data.

4. Security

We take precautions to protect your information. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information.

If you feel that we are not abiding by this privacy policy, you should contact us immediately maria.n@deakin.edu.au

5. Enquiries or complaints about the management of personal information

Enquiries or complaints about the management of your personal information at the University may be directed to the University's Privacy Officer as follows:

By email: privacy@deakin.edu.au

By mail:
